

## HIPAA AUTHORIZATION

Adept Labs, Inc. d/b/a Vital ("Vital") provides API solutions for at-home health care. Vital contracts with enterprise customers to grant access to Vital's services to the customers' patients like you. As part of its service, Vital works with health care providers and lab testing facilities to facilitate sharing your protected health information as governed by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), 42 U.S.C. § 1320d and 45 C.F.R. § 160-164.

This HIPAA Authorization is to authorize the disclosure of your information from Vital to the following enterprise customer: GF Health Services LLC. By signing below, you agree as follows:

1. Pursuant to HIPAA, I authorize and direct Vital to give, disclose, and release, without restriction, my medical records, lab order, and/or lab testing results to GF Health Services LLC or their partnered Providers or partnered Medical Groups.
2. The purpose of the uses and disclosures is for care coordination.
3. I understand that, with certain exceptions, I have the right to revoke this Authorization at any time. If I want to revoke this Authorization, I must do so in writing. I may revoke this Authorization by sending an email to [support@tryvital.io](mailto:support@tryvital.io) stating my desire to revoke my HIPAA Authorization. I understand that it may take Vital a few business days to process my revocation.
4. I understand that I may refuse to sign this Authorization, but that will prevent me from participating in Vital's services. I also understand that my health care provider cannot deny or refuse to provide treatment, payment, enrollment in a health plan, or eligibility of benefits if I refuse to sign this Authorization.
5. I understand that, once information is disclosed pursuant to this Authorization, it is possible that it will no longer be protected by applicable federal medical privacy law and could be re-disclosed by the person or agency that receives it.
6. The authority above shall supersede any prior agreement that I may have made with my health care providers to restrict access to or disclosure of my individually identifiable health information. The authority given has no expiration date and shall expire only in the event that the enterprise contract between Vital and Vital Customer terminates or I revoke the authority in writing as specified above.

I understand that I have a right to a copy of this Authorization.
